

TECHRON[®] CONCENTRATE PLUS

Fuel System Cleaner

PRODUCT DESCRIPTION

TECHRON[®] Concentrate Plus is a Complete Fuel System Cleaner that works in one tankful. It is formulated for gasoline powered passenger cars and light trucks, including carbureted, two-stroke, port fuel injected and direct injected engines.

CUSTOMER BENEFITS

TECHRON Concentrate Plus is recommended by many major automakers, the world over, and is an *unsurpassed, complete fuel system cleaner*, which can help:

- Clean deposits from fuel injectors, carburetors, intake valves, and combustion chambers
- Cleans, restores, and protects the entire fuel system, including the operation of sulfur-contaminated fuel gauge sensors

One tankful of fuel treated with TECHRON Concentrate Plus can help:

- **Maximize fuel economy¹**
- **Restore lost power and performance**
- **Restore and protect operation of the fuel gauge sensor**
- **Minimize harmful exhaust emissions**
- **Relieve cold start problems**
- **Minimize deposit-related knock and ping**
- **Restore lost acceleration**
- **Remove deposits from two-stroke engines²**

FEATURES

TECHRON Concentrate Plus Fuel System Cleaner, with its exclusive formula, is unsurpassed in cleaning the entire fuel system (fuel injectors, intake valves and combustion chambers) in one tankful. Its use can maximize fuel economy¹ and restore lost power, performance and acceleration.

TECHRON Concentrate Plus is formulated with a deposit control additive which can clean sulfur corrosion, a possible cause of fuel gauge malfunction. Regular use can help prevent harmful sulfur components in gasoline from attacking sensitive electronic fuel sending units on some vehicles.

TECHRON Concentrate Plus works in one tankful and is unbeatable at helping your engine achieve maximum performance and operate with the lowest possible harmful emissions. Also, by cleaning combustion chamber deposits, it can relieve cold start problems and minimize deposit-related knock and ping.

TECHRON Concentrate Plus is fully compatible and protective in all commercially available ethanol blends (E10, E85, etc).

APPLICATIONS

TECHRON Concentrate Plus is designed for gasoline carbureted or fuel injected spark ignition engines. To keep the entire fuel system clean, use TECHRON Concentrate Plus every 3,000 miles or at scheduled oil change intervals, not to exceed twice per oil change.

Will not harm catalytic converters and oxygen sensors.

Not recommended for diesel engines.

Suitable for use in two-stroke engines.

1 Restores lost fuel economy by removing harmful fuel injector and intake valve deposits.
2 Treat fuel at 1 ounce per gallon.

Product(s) manufactured in the USA.
